

Certificate of Compliance

Made in the USA
National Defense Authorization Act (NDAA)
American Recovery and Reinvestment Act of 2009, Buy American Provisions

Pedestal PRO, LLC is a privately held company located in Utah. Our employees are citizens of the United States.

Pedestal PRO manufactures steel pedestals for mounting and protecting access control devices and cameras.

All products sold under the Pedestal PRO brand name are designed, manufactured and supported in our facility in Lindon, UT when a customer explicitly states on their purchase order that the item(s) needs to comply with Buy American Provisions.

Compliance by Pedestal PRO can be achieved by the customer noting on a request for quote, material requisition order, an entire purchase order, or any one or more line items on any of the aforementioned documents, that such goods "need to be Made in the USA", "comply with Buy American provisions", "comply with National Defense Authorization Act (NDAA)", or any other clear mark for Pedestal PRO to discern the need to dedicate trackable, domestically-made raw materials for such purpose.

In these cases, I hereby certify that all Pedestal PRO products comply with the intent of the National Defense Authorization Act (NDAA) for the Department of Defense (DOD) programs and activities; and, the American Recovery and Reinvestment Act (ARRA) Buy American requirements of 49 U.S.C. 5323(j)(1), and the applicable regulations in 49 CFR part 661.

Pedestal PRO and its staff appreciate the opportunity to provide our products and services for NDAA and ARRA funded projects.
