DATA & SPECS

Product Style	Bollard
Material	304 Stainless steel and heavy duty sign acrylic
Main Body	12 GA 304 Stainless Steel
Base Plate	¼" 304SS
Mounting Method	Pad mount
Finish	Brushed or Powder coated
Packaging	52" x 8" x 6"
Weight	35 lbs
Shipping Method	UPS, FedEx, or LTL freight
Compliance	NDAA, BAA, BABA, ADA, USCMA/CUSMA
Warranty	1 year limited
Lighting Specs	12VDC Nominal Input Voltage 5 PWM Output – overload and short protected Controllable RGBW LEDs (2200K-5000K white lights) Bluetooth and WIFI capabilities 4 digital inputs 4 potentiometers Interface for existing lighting communications (DMX, DALI) Weigand Interface (input – optical isolated)
